Dear Majority Senator Schumer,

The Broadway Democrats know you to be a person who believes in equality. Your position as Majority Leader affords you the power to advance equality by scheduling a vote on SJ Res 1/HJ Res 17 when the Senate reconvenes after the midterm election.

As a national leader, you have the ability to advance women's rights by getting the Senate to pass this important bill. We are counting on you get the votes to have it passed by the Senate.

We thank you in advance for safeguarding the human rights of Americans.

Sincerely,

*Richard Siegel*
